E is for Europe  
U is for You  
EU needs YOU  
to share reliable  
info on EU

## The international project #EUinfluencers announces an open call for participants

If you are 18-25 years old; if you like and regularly use social networks; if you believe in the values of the European Union and want to learn about democracy, European society, media and information literacy and the fight against fake news and misinformation, we invite you to apply to be a part of the international team of EU Influencers!

This is the invitation to participate in the entire project, and the first activity is the International training for EU Influencers. After this introductory training, you will be able to pass on knowledge to your peers at trainings and campaign activities in your local community. The #EUInfluencers project will include more exciting local and European activities, gatherings, and youth exchanges until the end of 2023.

In this training, you will gain knowledge about Europe, European identity and how the European Union works. You will master the skills necessary to navigate across the modern media universe, where not all information is accurate and verified. You will learn how to distinguish reliable from unreliable news, but also how to transfer your knowledge to friends, peers, social media followers and people from your local and online community.

Also, you will get the opportunity to learn and socialize with young people from Portugal, Italy, Sweden, Croatia and Serbia...to spread your knowledge and critical thoughts on the European Union and thus become a certified EU Influencer!

The training will take place from **10th-15th November 2022 in Belgrade, Serbia** and the costs of transportation, accommodation and meals will be covered by the organisers.

Project "EUInfluencers" is supported by European Union through the program Erasmus+ "European Youth Together" and implemented by partner organizations DYPALL Network, LAG Zagorje - Sutla (Croatia), African Empowerment Centre (Sweden), Center E8 (Serbia) and Elios (Italy).
